HELP US DONATE 50 BOOKS TO THE EPISCOPAL CHILDREN'S CENTER

We are teaming up with our friends at the Episcopal Children's Center on Utah Avenue to help modernize their library and get newer books into the hands of the students they serve. The Episcopal Center for Children is a private, non-profit, non-denominational day treatment facility for emotionally troubled children and their families from the greater Washington, DC metropolitan area. The program is designed for children between the ages of 5 to 13. The goal of their treatment, therapeutic milieu, and individualized special education program is to enable each child to function productively within the family, school and community.

Just indicate on the form on the back of this sheet the titles of books you want to donate to the Children's Center.
