

The Spector Criminal Justice Training Network, Inc.

Crime Scene Investigation

Dates: Monday to Wednesday, March 14-16, 2016

Time: 8:00 a.m. to 4:00 p.m.

Location: Enfield Police Department

This Basic Crime Scene Investigation Course focuses on developing a proper mind set as well as proper procedures to prepare law enforcement personnel, medico-legal investigators, fire investigators, first responders and patrol supervisors with the fundamental elements of crime scene investigation. This three-day course is fortified with multiple practical lab exercises to reinforce the classroom discussions relating the type of crime to the type of scene and the duties of those first to arrive to maintain integrity and to maintain security and safety, identify, document and collect evidence with practical hands-on learning. Highlighted will be latent print development, crime scene photography, future trends and culminating with crime scene processing.

The Course will include: Scene Security & Safety, Fourth Amendment, Nature of Evidence, Searching & Search Patterns, Fingerprinting Practical, Crime Scene Photography, Scene Fingerprints, Documentation of Crime Scenes, Collecting Evidence Packaging & Labeling, Sketching Practical and Crime Scene Practical.

16 POSTC Credits Awarded Under Areas 502 and 502B.

"This Course Gets to the Point... Great Examples Used in the Classroom to Make Lectures Easy to Transfer to Scenes – Loads of Hands-On Experience!!"

Attention!!!!

Don't Miss This Course!!

Instructor

Peter Massey began his career in law enforcement in 1983. His work included the investigation of various crime scenes including thefts/robberies, assaults, suspicious deaths and homicides, as well as other major crime scenes. A former police detective / crime scene officer with over thirty years of processing and teaching how to process crimes scenes, Peter has conducted crime scene lectures and courses across the USA, the Caribbean, Italy, Mexico and China.
