RENEWAL FROM THE MOUNTAIN

The Cathedral Domain has been a constant part of my life. From my earliest memories, I recall riding in the back of my parents' car, which was loaded up with fried chicken, brownies and other picnic items for St. George's Day, winding around the roads that lead to the Domain. We sang songs to make the journey seem shorter, and lit up with excitement when we spied the red cross standing resolute among the trees.

I remember my first day at summer camp when I attended Junior Conference nearly 30 years ago. Although I was anxious about camp, I found joy in hiking with new friends and experiencing God in a remote location on the mountaintop. My experiences at camp that summer, and in the summers that followed, helped me to learn who I was at the core... and they nurtured personal growth and confidence. My friends that I made then have been friends throughout my life; one friend is my daughter's godparent and another is now my sister-in-law.

I am now experiencing the Cathedral Domain through the eyes of a parent. I am the one driving my children to the mountain while we sing songs together, some old and some new. And I am able to relish the happiness they radiate when I pick them up to return home.

As we approach Pentecost, we are reminded of renewal and fellowship, as well as a sharing of community. Every time I visit the Cathedral Domain, my spiritual home, I am able to find renewal through the laughter shared with friends and the quiet comfort of reflection. And I take that renewed spirit home with me each time I leave the mountain.

The Summer Camping Program at the Cathedral Domain gives children and youth the opportunity to experience fellowship and renewal of spirit, perhaps for the first time in their lives.

We need your help to ensure that we can continue to offer this experience to all youth in our community. Full or partial scholarships are available so that no camper is turned away due to a lack of financial resources. 22% of the youth participating in Domain camps last year received some form of financial assistance, and this number continues to grow.

Won't you join me in supporting the Cathedral Domain so that every child can have a mountaintop experience? Your financial contribution of $445 provides one camper a full week of camp, or $235 pays for a session of mini-camp. Your donation, in any amount, will help to continue the Domain tradition of hope and fellowship. Thank you for your generous gift!
