JOSTENS ALLOYS

White Lustrium®: This Jostens exclusive metal blend is a durable and affordable silver-toned metal.

SunCast™: Let your light shine. SunCast is a 23K layered gold coating applied over a White Lustrium base ring.

Silver Elite®: A Jostens proprietary metal. A bright white luster primarily composed of silver with elements of precious metals, including palladium, and rhodium plating for durability and shine.

Solaris Elite™: Our patent-pending yellow blend metal is a combination of precious metals, including silver and non-precious metals to create a beautiful, brilliant and durable solid metal.

Yellow & White Gold: Nothing stands the test of time like gold. Its durability ensures lasting value over time. Note: The higher the karat, the higher the percentage of gold in your ring.
