Dear Pastor and Clerk:

Enclosed you will find your delegate sheet for Yearly Meeting 2015. Please note that Dr. Ron Johnson, Presiding Clerk of our Yearly Meeting, would like the lists returned to our office so that we can record names and addresses of all delegates and prepare delegate materials for Yearly Meeting. The forms can be mailed or emailed to jmcdonald@efcer.org. Our dates this year are Saturday, July 18 through Tuesday, July 21. Our theme will be:

"In Perspective"

We do wish to make a special invitation to all delegates to plan to arrive on Saturday and check in before the evening *Mission Encounter*, meal and mission-focused program. This year we will meet in the Hoover Dining Commons of the Centennial Center.

Two 5 K Runs will be held this year on Sunday: 7:30am and 3:30pm at the Malone track.

We will be treated to a concert by **Dick and Mel Tunney** this year on Monday evening. This renowned Christian couple has ministered with such notables as Sandi Patti, Steve Green and others. Please help promote this highlight. No tickets will be required, but an offering will be received.

We have several pastors currently serving in EFC-ER who will be recorded during the Tuesday evening service.

Please review the schedules listed in the upcoming Yearly Meeting brochure, available soon, online and through the mail to churches.

We are enclosing application forms for counselors for our children's program for the YM week. If you have youth who would be interested in helping, please see that they receive one of the applications. Counselors should be committed to Jesus Christ, 14 or older, and enjoy working with younger children. Their room and board will be covered as honorarium for their service. However, they will stay with their parents during the sleeping hours. Those applications can be sent by mail or emailed to klackey@firstfriends.org.

We will send the Yearly Meeting brochures and children's program in a packet to the church soon. Youth (Jr. and Sr. combined this year) registrations have already been sent. Please distribute them to all delegates, any interested attenders, and youth. All of these brochures will be available online.

We look forward to seeing you at Yearly Meeting where we will worship the Lord Jesus together and assure we see things in perspective.

In Christ,
