Asylum Hill Community Art Project and Parade

The 2015 version of this annual event will take place Monday -Friday, August 17-21 5:00-8:00 pm. In past years there have been themes like *Outer-space* as well as *Under Sea Adventures*. This year the theme is "*Food Glorious Food"*.

Imagine all of the fun ideas you can come up with between now and August 17th. So bring the kids and plan to design and build your costume or puppet any of those evenings.

Large quantities of creative material, most of it previously purposed for other uses, will be available to both challenge and stimulate your creativity. And as in the past, in the true spirit of recycle & reuse, your costume can not only be used for the Parade to Sigourney Square Park on August 22nd, but it can be saved and used again for the Hooker Day Parade two months and two days later. And don't forget the Pancake Breakfast Saturday, August 22 10:30am – 12:00 pm The attached photos are from prior events. More can be seen at https://goo.gl/photos/8yiJWwGotLdvJi6E9
