PRE-CONVENTION WORKSHOP

Friday, 2/13 & Saturday, 2/14

HANDS-ON OSHA SAFETY CLASS & FORKLIFT TRAINING

Ranger Creek Distillery, San Antonio, TX

This offering is a combination of two Occupational Safety & Health Administration (OSHA) classes: OSHA 10 Hour Course and Forklift Training for the Craft Distilling Industry. This will be a two-day course covering the following topics:

1. **OSHA**
    a. Introduction to OSHA, Employee's Rights & Employer Responsibilities
    b. Walking and Working Surfaces, including Fall Protection
    c. Emergency Action Plans, Fire Prevention Plans, and Fire Protection
    d. Electrical Safety
    e. Personal Protective Equipment
    f. Hazard Communication
    g. Hazardous Materials and Materials Handling
    h. Hazards Specific to Ethanol, Citric, Caustic, Confined Spaces, CO_2 and other industry specific items
2. **Forklift Training**
    a. Safe Forklift Operation, including steering and maneuvering
    b. Stacking & Loading
    c. Capacity & Stability
    d. Surface Conditions, Ramps & Slopes
    e. Operating Limits
    f. Load Manipulation
    g. Hands-On Operation with Instructor Evaluation

Cost is $600 and includes:

• **OSHA Certification Cards** certifying you've completed this training, which you can report to your insurance provider.
• **Transportation** to and from the Hyatt, Austin & Ranger Creek Distillery, San Antonio
• **Lunch, Coffee Breaks and Tastings**
