Drug Story Theater, Inc.'s

PUBLIC PERFORMANCE OF

THE PRICE YOU PAY

*A show created and performed by teenagers in the early stages
of recovery from drugs and alcohol.*

Duxbury Performing Arts Center

The teens in Drug Story Theater's pilot program have created an amazing show based on their true stories. Parents became involved, sharing their own stories of watching their child choose drugs and alcohol over the trust of their relationship. Learning improvisation and psychodrama to explore the seduction of, addiction to, and recovery from drugs and alcohol, the teens created and rehearsed "The Price You Pay", an unflinchingly honest account of the role of drugs and alcohol in their young lives.

We invite you to attend **Duxbury Public School's** presentation of "The Price You Pay", by Drug Story Theater, Inc.
