BUILDING AND SUSTAINING COMMUNITY CONNECTIONS THROUGH HEALTHY DIALOG
AND SHARING KNOWLEDGE TO KEEP OUR YOUTH SAFE TODAY AND MOVING FORWARD

Join Us for the Youth Health Connection Seventh Annual All Advisory Meeting

December 8, 2015 • 10-11:30 a.m.

South Shore VNA • 30 Reservoir Park Drive • Rockland, MA

Knowing Every Child: Connecting Research to Practice

At this event you will meet other Youth Health Connection members from your community, learn from an expert in the field of Youth Resiliency and participate in active learning.

We are excited to announce that our keynote presenter is:

Elizabeth R. McCarthy, LICSW, Training and Network Manager
P.E.A.R. (Program in Education, Afterschool and Resiliency), McLean Hospital

Topics to be discussed:

- ♦ Learn about a data-informed system for understanding socio-emotional strengths and challenges of youth in the school and out-of-school time (OST) settings.
- ♦ Gain an familiarity with PEAR's strengths-based socio-emotional assessment, the Holistic Student Assessment.
- ♦ Learn how to use PEAR's multi-tiered support system to identify the strengths and gaps of their own school/community/system.

Please RSVP for this event to karin_farrell@sshosp.org or call (781) 624-7849
