Camp Directors

Seth Korey– Seth has over 27 years of tennis experience. He was the 1990 Arizona State High School Singles Champion, was ranked among the top 50 players in the United States throughout his junior career. In addition, Seth is a two-time High School Prince All-American and Academic All American Champion. After high school, he went on to play at the University of Kansas where he was crowned a Big Eight Champion. Seth has been teaching over 15 years and takes great pride in seeing his students grow.

Matt Sunter - Matt is originally from Melbourne, Australia. He comes to us with 17 years coaching experience from all around the world. Matt was Head Pro at Toptenn Tennis Academy in Melbourne, where he worked with elite junior players for 4 years until he decided to coach internationally. In 2005, Matt moved to London, England where he became the Tennis Director for Notting Hill Harbour Club. During his time at the Harbour club, Matt was heavily involved in Junior development, working with the LTA's 10 and under Tennis program as well as other junior and adult players. In 2012, Matt was offered the position of 12 & Under High Performance Tennis Director at Score Tennis Academy in Chicago, IL. Matt has produced several top ranked juniors in the Midwest and hopes to the same here in Arizona.

Allen Vishnevsky - Allen has been playing and teaching tennis most of his life. After starting tennis in California at the age of 4, he moved to Arizona and has been competing ever since. He maintained top 10 in the 12's and 14's southwest section. Allen played high school tennis at Pinnacle and graduated with honors in 2009. Shortly after, he started teaching tennis at the Westwood Tennis Center and continued the profession by joining Seth Korey Tennis Academy in 2010. He loves to see his students build the necessary tennis skills that allow success and excellence in the sport of a lifetime. Allen has tremendous passion for teaching tennis to all ages and levels.

Marcela Plasencia - Marcela comes from a family of tennis players so it was only natural that she started playing in 2005. As a player, she earned a 4-year varsity letter and was even the captain of her team. After high school, she practiced with two different college teams. Overall, she brings a strong passion for tennis and working with kids so we are happy to have Marcela as part of the team!
