Order Your Copy of the USP Product Catalog Online

The 2015-2016 USP catalog is a comprehensive 236 guide to over 2000 connector products featuring all new product and application illustrations, detailed installation instructions, fastening schedules and load ratings.

If you don't have a free copy yet, or need extras, **order directly from our website** at http://www.uspconnectors.com/resources/order-printed-literature. We'll send it out within five business days of order receipt.

In the meantime, to view products found in the catalog on our website, just click this link: http://www.uspconnectors.com/us/products/connectors

USP Product Catalog now available in French
