

We offer one-on-one knitting and crochet instruction for children (over age 7-8 with good fine motor skills and attention spans) and adults, by advance appointment. Parents should consider learning with children! Because of the attention spans of most children we recommend that most sessions be limited to about an hour or so. \$10.00/hour per person.

Artisan Knitworks hosts Knit-Togethers (K-T for short) are great fun. We have light refreshments and heavy-duty fun. Stop by for a few minutes or a few hours. Bring a friend. You can never have too many knitters, spinners and other fiber folk! Even if you've never picked up a knitting needle or crochet hook, please join us. Discover how delightful working with fiber and fiber people can be!

All this is just \$5 to help offset the costs of our expert helpers and the goodies.

Something New!! Quick Fixes from Those Who Know!

Stop Being Afraid -- How To Fix Things

Saturday, June 4 1-3:30

For all of you who live in terror of dropping stitches or purling instead of knitting, and so on. We can help. We'll also talk about how to add features to garments when you're all done – including adding or subtracting length. Requirements: Bring a 20-stitch, 5-inch swatch in stockinette stitch in which you knit one right-side row (maybe an inch from the top) in ribbing (K1, P1) – and in which you drop one stitch in the last row. Pre-register, but you can use any yarn.

AND ... On Sunday, August 14

The Fabulous Ellen Minard

Ellen creates all of that gorgeous hand-painted yarn we've heaped up on the display just as you come in the door at Ellen's Half-Pint Farm in Norwich, Vermont, will teach an ALL-DAY hand-painting course. You will leave with at least one skein of your own yarn, done in YOUR OWN COLORWAY, designed in conversation with Ellen. More undyed yarn will be available, should you wish to make more than one -- but a skein of fingering weight yarn comes with your tuition. We also provide dyes and other materials, plus lunch. We'll begin at 9:00 AM and continue until we're done, or until 5:00, whichever comes first. We have not yet firmed up the price. But stay tuned -- and call us NOW if you want to be included. We will have to put a cap of 12-15 on this one.

If you want to do something else, just tell us – we will organize a class.
