

Don't Spend Christmas Alone Dinner

The committee of the Don't Spend Christmas Alone Dinner **thanks all the parishioners** for helping make this special event such a success. It takes many helping hands before, during and after the dinner to make it run smoothly. Without your dedication, 237 meals wouldn't have been delivered to the home bound and 477 meals served to our guests dining at the church giving a grand total of **724** meals being prepared. Upon leaving, each guest received yummy homemade cookies and fudge which was donated with love and blessings from you. **Thank you!** It was a vision of this congregation 35 years ago to feed those alone on Christmas day; only with God's grace have we continued.

Without the strong community we have at St. Luke's, this outreach to the Quad City community could not happen and touch so many people.

Thank you for your heartfelt love, kindness and support you showed for the DSCA dinner. We wish you many Blessings, Happiness and Good Health in 2016.

Let us continue to make Christ known in our life and community.

We would also like to share with the Parish the names and contributions to the DSCA dinner by the community businesses and individuals.
