

Make a BIG Difference by Doing Just A Little

Calling individuals in Prescott, Prescott Valley and Chino Valley

People Who Care is a total Volunteer Organization. We are non-profit 501©3 organization without ties to any faith community or governmental agency. We provide essential transportation for individuals who no longer drive due to physical or aging issues. By doing this service, our "Neighbors" are able to remain independent and safe in their own environments. Other services are offered as well, such as shopping, visiting, and much more.

Our next orientation will be held on November 17th in the Fellowship Hall of the United Methodist Church in Prescott Valley, - 8944 E. Sommer Drive, Prescott Valley 86314 from 1:00 pm to approximately 3:00 pm.

Our Volunteers do make a Big Difference. Our "Neighbors" are so very appreciative of their Volunteers. Please consider coming to an Orientation so you too can feel the wonderful circle of making a difference.
