

People Who Care has been helping enrolled Neighbors in Prescott and Chino Valley for over 23 years, and most recently, in the Prescott Valley and Dewey communities.

Volunteers provide one to one non-medical assistance to adults unable to drive due to physical or age related limitations who are living on their own with limited or no family support.

The volunteer assistance that is provided without charge critically impacts our Neighbor's quality of life, well-being and a sense of independence. Helping with rides for healthcare appointments and grocery shopping, assistance with personal paperwork, etc. are some of the types of assistance we offer.

A volunteer information and orientation meeting will be held at: **1133 Old Chisholm Trail in Dewey (Prescott Country Club) at 1:30 to 3:30 on April 7th.** This is an informal meeting. Please come and learn how you can:

"Be a rainbow in someone's cloud"

Our volunteers do What they Can, When they Can.
