What Do I Do?

- Newly appointed peanut man.
- Design engineer, president and primary principal for ABC Corporation Limited.
- Actively pursuing opportunities in peanut distribution in Canada and the US.

What Does ABC Corporation Do?

Our customers want and expect us to deliver the freshest, best tasting peanuts on the planet. We specialize in creating flavourful, unique peanut blends delivered in eco-friendly packaging.

Why Am I Networking?

For me it is all about business development:

- Find new opportunities for ABC and my associates
- Find new resources for ABC and my associates

I need Help With...

1. Finding suitable sites for peanut vending machines
 1. Major warehouse/distribution complexes:
 1. The Brick, Canadian Tire, Walmart, Sears, Safeway, Costco, Home Depot
 2. Boutiques with friendly owners/managers:
 1. Print shops, Beauty/Hair Salons, Oil Change Shop, etc
2. To find people interested in creating a small mentoring group focused on business development and entrepreneurial spirit.

Notes:
