Cancer Center Summer Training Program for Medical Students

The Case Comprehensive Cancer Center is looking for medical students interested in summer research opportunities.

There are 8 openings available, with 4 supported by the Brian Werbel Memorial Fund and 4 by the Case Comprehensive Cancer Center.

Details:

- Completed application and reference letter due by: Friday, February 26, 2016
- Awardees must be conducting cancer research with a Case Comprehensive Cancer Center member
- Those receiving the Brian Werbel Memorial Fund awards must attend the annual golf outing.

For more details and an application, please contact Damian Junk
Damian.Junk@case.edu.

The Case Comprehensive Cancer Center (Case CCC) is a partnership of the Case Western Reserve University School of Medicine, the Seidman Cancer Center of University Hospitals Case Medical Center of Cleveland, and the Taussig Cancer Institute of the Cleveland Clinic. Through the collaborative research activities of the partner institutions, the Case CCC pursues its mission of translating research discoveries into improved treatments for cancer patients throughout the region and nation. Visit us on the web at <http://cancer.case.edu>.

The Brian Werbel Memorial Fund

The Brian Werbel Memorial Fund, established in 2007 at University Hospitals Case Medical Center, is dedicated to providing summer fellows an opportunity to focus on cancer research, with the ultimate goal to aid in curing cancer.

Brian's hope was to find a cure for cancer — to make a difference in the world, just as he made a difference in the lives of everyone he touched.
