

SOLANA BEACH
Soccer Club

2015

Dear SBSC Families,

It is hard to believe the Fall 2015 Season is almost over. On behalf of the Board, I hope you had a great season! This season we fielded 47 teams (new club record) with almost 600 players. Congratulations! We couldn't have done it without you!

I particularly enjoyed wondering from field to field on Saturdays watching parts of games and talking with parents and coaches. It's a great way to spend a Saturday! Our players do some amazing things (sometimes amazingly cute or funny) on the field.

The SBSC is an all-volunteer organization that relies on the tremendous support of about 100 volunteer coaches and team parents. Our coaches are flat out awesome, guiding teams with enthusiasm and acting as great role models for the players. Much of the tremendous growth in the number of players and teams is due to their incredible efforts. Thanks!

We want to recognize and give thanks for the financial support from our sponsors and the many families that contributed to the scholarship fund, all of which allows us to keep registration fees as low as possible and gives us an opportunity to provide scholarships to families whose children would not otherwise be able to play. Most of our sponsors have supported the Club for many years. We appreciate your support! Please seek out our sponsors and give them a fist bump thank you.

Your SBSC Board spends a lot of time behind the scenes making sure the season runs as smoothly as possible. It is a great group of people who truly look out for the best interests of the Club. When you see them, please thank them! We look for fresh ideas every year. If you are interested in helping out, please let us know. It is a lot of fun.

On behalf of the Board, thanks to everyone for making the 2015 season a great one. We have much to be thankful for. We hope you enjoy the 2015 yearbook and have a great Thanksgiving!

Have fun,

A handwritten signature in black ink, appearing to read "Jeff Lyle".
