HERE WE GO!

Construction is moving forward at Hub 801 Coffee, formerly Salt Rock Coffee, directly west of Hub801! You may have noticed that the awning and concrete landing on the back side of the building have been removed. If you peek in the windows, you will see a blank canvas for our team of volunteers to work with in the weeks to come. Right now, a big part of the concrete floor is being removed to make way for the new plumbing system. There are still many opportunities to be a part of creating our new community space! If you are interested, please contact Holly @ (801)388-4986 or hollymax00@comcast.net

BAPTISM & COMMUNION SERVICE

Please join us for our Baptism and Communion service on April 19th @ 5pm. There will be worship music, a short message, a time to remember what Jesus did for all of us by sharing in communion and a time to celebrate with those being baptized. Invite your friends and family to this amazing celebrations of what God is doing a the GP!

GPLIFE

If you drive by our building on Wednesday, you will find a full parking lot - If you listen, you are likely to hear beautiful acoustic worship music - If you stick around you will hear a buzz of community happening! Each Wednesday, we spend time in praise and

worship followed by a relevant message. After that, we turn to familiar faces at our tables and dive into God's Word as it relates to the topic that was presented. It is an amazing night of worship, Bible Study and conversation. There is never a bad time to jump in and enjoy this weekly event. If you are looking for a place to experience the heartbeat of The Genesis Project, GPLIFE is perfect for you and your whole family! Don't miss the incredible topics in April.

Semester Change for Genesis Kids

It's that time of year again!!! Spring is here - the days are getting longer and Genesis Kids is gearing up for the shift into the Summer Semester. This is a GREAT opportunity to work with the next generation of God's people, our kids. Did you know that we see nearly 200 kids every Sunday at Kids Church? It takes a lot of

volunteers to maintain this very important ministry.

We are looking for about 60 people to work as teachers, large group leaders, check in/out hosts or as general helpers. You can volunteer for Sunday morning or Wednesday night, to help weekly, to help a couple of times per month or just help as back up. It's a GREAT time and probably the most rewarding ministry at GP because you are changing our future. If you're interested, contact Andy LeBlanc at andy@genesisutah.com.

Setting up the church

Each Sunday and Wednesday, a dedicated crew comes in and sets up the church @ Hub801. It is a great, behind-the-scenes, way to serve your church and to get to know an amazing group of people! We need a few more volunteers. If you would be interested in joining the crew, please contact Larry Roberts at (719) 237-2659 - Thank You!
