eventbrite.com](http://OralHealth1.eventbrite.com)

No cost event

Complimentary breakfast

Continuing education credits available for nurses

By the end of the event, medical professionals will be able to:

- describe the prevalence and sequela of oral disease;
- outline guidelines for providing oral health care services;
- identify common challenges and solutions for providing oral health care services;
- apply oral health care best practices and models to real-world projects; and
- leverage statewide opportunities to implement innovative solutions.
