

Kittery Le Creuset Celebrates Local Agriculture

Great cooking boils down to ingredients - the better the ingredients you choose, the better the results. We're no different. Like you, we don't compromise when it comes to cooking, only our ingredients happen to be iron, steel, clay and silicone. Le Creuset will help you make the most of your ingredients just as we've made the most of ours. This is why we believe that good food deserves Le Creuset.

- Le Creuset welcomes Brookford Farm customers to come visit our store during the growing season for tips and inspiration.
- Each Brookford Farm customer will receive a 30% discount on any one piece of enameled cast iron. Orders of \$100 after discount will qualify for free shipping.
- No coupon needed - just mention Brookford Farm's name at checkout. You can also call, and we'll gladly ship your order.
