

We invite you to consider different sponsorship opportunities at The 28th Annual "A Taste of Encino". The San Fernando Valley's Ultimate Block Party will be held on Sunday, October 11, 2015, from 10am to 5pm. The Valley's most popular street fair is sponsored by the Encino Chamber of Commerce. Please contact Diana at diana@encinochamber.org for a comprehensive look at the sponsorship opportunities available.

By sponsoring "A Taste of Encino", you help ensure that we continue to fund local school and community projects such as Teacher of the Year Awards Dinner, Disaster Preparedness Community Outreach and The Senior Services Directory of the San Fernando Valley.

"A Taste of Encino" is an opportunity to showcase your business at a venue that will feature live entertainment and exhibits from hundreds of vendors and community groups. Add the tasty food from various restaurants and a beverage garden and you've got a recipe for a great day in Encino, one of the most fabulous neighborhoods in the San Fernando Valley.

We are confident we can work with your company or organization to maximize your sponsorship impact and give you an opportunity to connect with a diverse crowd of businesses and residents from the San Fernando Valley area and greater Los Angeles.
