

A Service of Evening Prayer with Anointing of Healing Hands

Sunday, October 18 at 4:00 p.m.

St. Augustine's Episcopal Church

3321 Wheeler Road

On the feast day of Luke the Evangelist, patron saint of all who practice the healing arts, St. Augustine's Church offers prayers and anointing for those who exercise the ministry of healing. Whether as a professional, or as a caregiver for a family member or loved one, if you are engaged in the work of healing and helping, you are invited to come and pray, and let us pray for you, in that work. This brief service of prayer, scripture readings, music and silence will be followed by a reception and time of fellowship in the church hall.
