WORLD DRYER

U.S. Cellular Field | Chicago White Sox

Excerpts from *Architectural Products*, June 2014

After consulting with David Waxman and Adi Klinghofer of Prestige Distribution, Don Esposito (Senior Director of Purchasing, Construction and Maintenance for the Chicago White Sox) selected 320 Hiny Hiders bathroom partitions manufactured by Scranton Products for their looks, durability and ability to reduce costs and maintenance. Prestige was involved in all phases of the bathroom renovations from 2011 to 2013, assisting Esposito with the specification process and performing all of the demolition of the old partitions and installation of the new ones.

"We required materials that fit the modern design of our stadium, while holding up to rowdy fans."

—Don Esposito, Chicago White Sox
