

EMS PARENT PICK-UP AND DROP-OFF LOCATIONS Effective 2-22-16

In an effort to improve the safety of our students, we are making changes to the bus and parent traffic areas at EMS, starting Monday 2-22-16. Please review this map, and note that parent pick-up and drop-off is being moved to the back drive.

- **STOP ALONG THE CURB IN THE BACK DRIVE:** To prevent students from crossing in front of other traffic, stop along the curb to drop-off and pick-up. It is safest for students to get out of the vehicle on the passenger side by the curb.
- **DRIVE SLOW IN THE CENTER LANE:** Please drive slowly in the center lane, and do not pick-up or drop-off students in the center lane, so that we can keep traffic moving.
- **KEEP GRAPHIC ARTS MOVING:** Please do not drop-off or pick-up students on Graphic Arts. This will help keep that traffic moving safely.

Thank you very much for your patience and assistance in making this a safer process!
