

# eYearbooks

It's everything you love about your book in an interactive edition.

## Your YEARBOOK. Your new favorite app.

■ **More room for more memories.** Add web links, videos and audio without adding page count.

■ **Availability.** Students can view their yearbook on a computer or tablet device.

■ **Easy searching.** eYearbooks are indexed so students can search within the yearbook for names, activities, etc.

■ **No extra work.** Balfour stores all content for 30 years and handles the file conversion.

■ **Affordability.** Your school can offer the eYearbook to everyone who buys a printed copy or you can make it an optional purchase by the parent/student at Balfour.com or Smart-Pay.com.
