

8th Annual

HOLIDAY FOOD DRIVE

For the benefit of those less fortunate individuals and families served by the Cross Roads House and the Seacoast Family Food Pantry. We are being greatly supported again by Philbrick's Fresh Market, which loaned us grocery carts for our mission for the 8th straight year, despite it always being during their busiest season.

These are the good corporate citizens at Pease Tradeport participating to support those less fortunate:

Abilities Physical Therapy

Bank W Holdings

BayRing

Belle Peppers*
