3. Interactive STEAM Experience

CONTACT INFORMATION:

Organization, School, Business:

Name and Title:

Phone Number:

Email:

Name(s) of additional staff member(s) attending the event with Phone Numbers:

Equipment Information:

Electricity Needed: YES NO

Internet Needed**: YES NO

***Internet access can be difficult at fairs. It's in your organization's best interest to not rely on internet connectivity.*

Hands on Activity/Science and/or Technology Focus

(SCOPE is available to assist with ideas and help you coordinate this piece)

Please give a brief description of your interactive activity you will be doing at your table.

This is to ensure a wide variety of activities and no overlap amongst organizations.

1. Hands on Activity:

2. Science, Technology, Engineering, Art or Math Focus:

3. Information and STEAM Path: Please advise if you are part of:

Informal Education
Formal Education
Financial Aid/Scholarship
Job/Career

Give-a-ways/Trinkets: SCOPE hands on activity policy **allow you** to engage and have dialogue with the entire families is to create the greatest strongest outreach possible. Sharing resource material, so fairgoers can continue to be inspired and involved, is encouraged. Give-a –ways, however, distract from the interactive experience. **SCOPE strongly suggests your activity have a logo/site to connect with your organization post event and save marketing pieces for a different type of venue.**

Additional Needs/Requests:

ABOUT SCOPE: SCOPE, a 501(c) (3) nonprofit, has worked with more than 100 organizations around the state to better connect families and community to STEAM. An important part of SCOPE's mission is sharing information about STEAM related programs, organizations, scholarships, internships and workforce opportunities aimed at improving the lives of citizens, our economy and global leadership in innovation.
