

NATIONAL RECOVERY MONTH EXHIBIT

THE "HELLO MY NAME IS..." PROJECT

A Collection of Portraits & Personal Recovery Stories

"My recovery sustains me and brings me joy. There is love in my life, and community, and a richness of experience that is only found in the present, one day at a time. I am very blessed."

Bob S.

The "Hello My Name Is..." Project is a not-for-profit community outreach program sponsored by the Asheville Area Arts Council*. Through this project we are building awareness that people do achieve and sustain recovery from alcohol, drugs, mental health, and other life challenges. Not only does recovery change the life of the individual, it also has a positive impact on their family, our community, as well as society as a whole.

Recovery changes the conversation from problems to solutions!

As part of National Recovery Month, this exhibit is being held to celebrate and raise the profile of recovery in our community. We invite you to be part of positive change by attending this event, where you can witness the positive impact recovery is making in the lives of individuals as well as our community.

*AAAC is the Fiscal Sponsor of The "Hello My Name Is..." Project. For more information or for questions about the AAAC Fiscal Sponsorship program visit: ashevillearts.com

"Recovery has done more than change my life it has given me a life."

Richie Tannerhill

"As my recovery grows so does my life."

Fran
