

HOPE GIVES LIFE.

"Lespwa Fe Viv" - Haitian Proverb

Dear St. Mary Magdalene Episcopal Church,

Your donation will help to ensure that we can continue to provide life saving maternal and infant health care services to those who need them most. Thank you for your gift of \$93.00, received on 05/31/2016, in support of our efforts to bring quality health care to impoverished families in Haiti who could not otherwise access or afford it.

Our vision is "healthy mothers and healthy babies" - communities where maternal and neonatal mortality rates are low, and where every mother and child has the opportunity for a healthy birth. Thank you for partnering with us to make this vision a reality every day!

With appreciation,

Jim Grant, Executive Director

We love to talk about what we do! Our Speaker's Bureau, made up of volunteers and board members, can educate your organization about the work we are doing to save the lives of mothers and infants in Haiti. To start planning a visit from MN, just reply to this email.
