A Memory Support Community

A New Normal

Continuing the conversation with caregivers of people diagnosed with dementia

Saturday April 30th
My loved one has
Alzheimer's disease —

The Habilitation Model and a
Care Giver's Guide to Keeping
Crises at Bay

Registration and
Continental breakfast at 9:30 am
Presentation 10:00 - 11:30 am

Youville Place invites you to an ongoing community series, "A New Normal: My Loved One Has Alzheimer's Disease," featuring expert speakers who discuss special issues and concerns relevant to Alzheimer's caregivers and family members. Mal Allard, Director of The Courtyard at Youville Place, will describe how using the habilitation care model can prevent a range of common crises, from emotional outbursts and behavioral issues to issues of general safety. **RSVP at 781.861.3535**
