

CWS Jersey City Tri-State Welcome Opportunities

WELCOME TEAMS

Welcome teams help refugees begin new lives in the US. Your faith community or community group will collect furniture and household items and help set up the apartment for an arriving family. Welcome teams also stock the kitchen with food and provide a welcome meal. Welcome teams also assist with three months of rent and utilities. By preparing the home and assisting with these initial needs, your faith community or organization helps situate families with the initial connections they need to be part of a healthy and thriving community. Depending on your location, availability and interest, welcome teams are invited to get to know the family by assisting with airport pick-up and with initial resettlement activities such as school enrollment, community orientation, or grocery shopping. Families will be living in Jersey City, NJ. Please e-mail Megan for the next info session to find out more.

JERSEY CITY WELCOME PACKS

With new communities, new schools, and new jobs, refugees have places to go! Navigating a new city is a challenging, but essential skill. Provide welcome packs for each arriving family including a map of Jersey City, calendars, a wrist watch, and 1-3 months of bus tickets. CWS Jersey City will welcome roughly 30 families (120 individuals) in the coming year. Our goal is to provide welcome packs to every family. Partner with us to collect these items for a year of arrivals or contribute a part – together we will reach this goal!

SUPPORT THE DREAM

CWS Jersey City keeps the American Dream alive by welcoming hundreds of refugees from war torn countries around the globe. With welcoming neighborhoods, engaged community partners, and committed staff, New Jersey continues to be a welcoming place for refugees and locals alike to call home. Consider supporting our work today and make a difference in the lives of arriving refugees. Plan an advocacy and fundraising event. Online donation available: <https://cws.global/14>.

Our community's success depends on making sure everyone who's a part of it feels welcome! Help CWS Jersey City welcome our newest neighbors. Contact our office to discuss your interest, upcoming trainings, and ways to get involved:
