****For every \$100 over \$1000 in sales add \$25 in free product to rewards.**

About the North Smithfield Food Pantry

The North Smithfield Food Pantry is a non-profit organization located in the lower level of Globe Hall at the Slatersville Congregational Church. They work to bring assistance to families in need in the community, collecting food and other products for donations.

Why Choose Ava Anderson?

The products at Ava Anderson allow consumers to choose safe, non-toxic alternative products for their family and their home. They offer a variety of non-toxic products including shampoo, bathroom cleaners, makeup, baby wash, toothpaste and more.

My Goal

I would love to start a fundraiser that will ultimately continue every month and will allow me to donate many non-toxic products to the food pantry that families in need may otherwise not have access to. North Smithfield is my first home and I would love to give back to the community while sharing the non-toxic message with others.

Thank you for your support!
