“When school is out for summer, many of our families are challenged financially by the increase to their food budget. For students who rely on meals they receive each day at school, hunger doesn't stop when the bell rings for summer vacation! These summer programs provide opportunities for our children to have access to meals year round.”

Administrator of Child Nutrition

Hunger Doesn't Take a Summer Break!

Fuel Up for Summer Fun this summer with free meals for children and youth 18 years old or younger this summer through the PUSD Fuel Up Summer Meals Program.

PUSD will once again be sponsoring numerous locations throughout Altadena, Pasadena, and Sierra Madre in partnership with schools, parks, and other partners in our communities.

These free summer meals are made possible by PUSD's participation in the USDA Seamless Summer Meals program. Rules apply. A list of sites will be posted at:
