

Honorable Representative/Senator (name),

As one of your constituents and someone concerned with the expansion of Federal power, I would like to invite you to a meeting to discuss how you as a State legislator, can help reverse this encroachment on Ohio's sovereignty.

This meeting will take place in the Columbus area, a dinner the evening of 18 November 2015, or a luncheon on 19 November 2015, your choice. The meeting will be approximately ninety (90) minutes in length and will be with other legislators and KrisAnne Hall, a nationally known Constitutional Attorney and Speaker on the Constitutional limits of Federal powers.

The Venue for the meetings is as follows:  
MCL Westerville  
76 East Schrock Road  
(Previously known as 60 Westerville Square)  
Westerville, OH 43081

6PM till 8PM for dinner on Wednesday, 18 November  
11AM till 2PM for lunch on Thursday, 19 November

I believe one of the most powerful ways to arrest and reverse Federal encroachment is for States to reassert their sovereignty and the sovereignty of its citizens. For as James Madison said in his introduction of the Bill of Rights in the first Congress,

" ... because the State Legislatures will jealously and closely watch the operations of this Government, and be able to resist with more effect every assumption of power, than any other power on earth can do; *and the greatest opponents to a Federal Government admit the State Legislatures to be sure guardians of the people's liberty...*"

I therefore, urge you to make every attempt to attend one of these meetings.

Please RSVP, by no later than Friday 16 October 2015, to John Hindery at [John@BuildingBlocksForLiberty.org](mailto:John@BuildingBlocksForLiberty.org) or by phone at (513) 258-4454.

Respectfully Yours,
