## EASTER JOY & PEACE

On behalf of the Sisters and staff of Resurrection College Prep High School, we wish you a wonderful Easter filled with the joy and peace of Christ.

At Resurrection we began our Lenten Journey on Ash Wednesday by sharing reflections about what Lent means to us. Throughout these forty days we have continued to pray together, reflect, and reach out to those in need.

Now we enter into the holiest and most awesome week of the year, the week we remember the depth Jesus love for us.

May the love of Jesus fill our hearts with awe, reassurance, and deep joy!

Alleluia! Happy Easter!

May all the signs of spring assure us of God's gift of new life.
