

KIWANIS PEANUTS FUNDRAISER

Donation \$45 / box

St. Charles Kiwanis Club volunteers are dedicated to changing the world one child and one community at a time. All profits from this fundraiser go to support local agencies that assist children; support inter-national objectives, such as to eliminate maternal/neonatal tetanus throughout the world; or supporting our troops where ever they serve. Last year we granted over 30 local agencies giving out \$68,000 to organizations dealing directly with children. We sent our Troops over 130 cases of these wonderful healthy snacks.
