Approved Aftermarket Crash Part Distributors

Date: 08/03/2015

Nationwide has approved the following list of NSF certified distributors for specification of aftermarket crash parts:

Approved A/M Crash Part Distributors	Approval Date
Continental Auto Parts	8/3/2015
Empire Auto Parts	8/3/2015
Kapa Auto Body Parts, Inc	8/3/2015
Keystone Automotive Industries	8/3/2015
Micro Platers Sales, Inc. / Micro Rim Corporation	8/3/2015
National Auto Body Parts Warehouse	8/3/2015
Professional Parts Group, LLC	8/3/2015

CAPA, NSF or AQRP aftermarket crash parts will be specified utilizing Nationwide approved suppliers who maintain the *NSF Automotive Parts Distributors Certification (Protocol P394)*.

AQRP parts are only available from Keystone Automotive Industries. CAPA & NSF parts can be secured from any NSF certified distributor.

Reference the Nationwide Insurance Material Damage Claims Bulletin – Alternative Replacement Parts Protocol for alternative part specification guidelines.
