

Pennsylvania voters are
clear that we want a
fully and fairly funded
public education system.

But Harrisburg still isn't listening.

IT'S TIME FOR A **#MORAL TAKEOVER**

**People of faith will fast on the steps of Pennsylvania's
State Capitol until lawmakers pass a moral budget with
increased funds for public education.**

Join us on June 20 in the largest interfaith gathering in PA's
history to bless the fasters and consecrate
the space for their bold public action.
