

SHOP AT RALPHS?

Raising money for our school doesn't get any easier than the program offered through Ralphs, but you have to register at the beginning of each school year, even if you registered the previous year.

HOW IT WORKS

Simply hand this flyer to the cashier to scan the barcode at the bottom IN ADDITION to either your Ralphs Rewards Card or phone number entry that is linked to your Rewards Card.

Within 72 hours, a percentage of each shopping trip will be donated to your El Rodeo PTA. This donation does not affect your Ralphs Club Card savings because the donation comes from a different bucket of funds managed by Ralphs.

You must scan the below barcode once at the beginning of each school year to create the link between your Ralphs Reward card and your El Rodeo PTA, even if you registered the previous year. Then, each time you scan your Ralphs Rewards card you will automatically be making a donation.

WHO CAN PARTICIPATE

Along with El Rodeo families, grandparents, relatives and friends who shop at Ralphs or Kroger can help El Rodeo earn money. Simply forward this flyer to them. In the past, we've had grandparents as far away as Chicago register for the program.

This program has been enormously successful in the past, so we sincerely hope you will register for the program as soon as possible.

Please do not hesitate to contact Linda Jankowski at jankfamily@gmail.com, Krissy Austin at krissy@josephaustin.com, or Elham Samadi at elhamm@hotmail.com if you have any questions.
