CONTEST RULES: Contestants will receive one free entry per pot of chili. Please bring your chili already warmed and in a crock pot. Crock pot must be at least 3.5 quarts so that there is enough for each person to taste. Please bring serving utensils and any condiments you feel should accompany your chili. Don't forget your table decorations! We will provide tasting cups and spoons. Each entry will have a space of at least half a six foot table. Space is limited for chili entries so don't delay if you want to enter! **PLEASE BRING POWER STRIP AND EXTENTION CORD TO HELP DISTRIBUTE THE POWER!**

Stations will be spread around the yard, patio, and balcony. Each person will be given a judging card and will be able to walk around leisurely to sample each entry. We will have canopy's over all the tables for shade. We may need to borrow a couple canopy's so if you have one you wouldn't mind loaning out, please contact Debi or Lynette.

We will provide BBQ hot dogs, salad, fixins, tasting utensils for chili tasting, prizes, popcorn and treats for the show. Don't forget your blanket and/or chair for the show!
