

4th Annual Event Celebrating International Women's Day

Women healing Earth through Art and Spirit

Fri., March 27, 2015, 6:30-8 pm

**Celebrate Women Artists sharing their healing of
earth through spirit and art. Enjoy light
refreshments and one another.**

**First Congregational Church
2801 Lomas Blvd. NE, ABQ**

Some of the 2014 Artists.

***Women visual and spoken word artists share their art and talk it within the
context of spirituality, earth care and climate change. Guest artist include:***

Eileen Schaugnessy—musician and composer

Basia Irland— earth elements inspire healing art with focus on water

***Allana Sindlinger—artist who has worked with others to express feelings
about climate change through art***

***Renny Golden—published poet with many awards, proceeds from her book will
be offered for the work of NMIPL***

Free will offering

Co-Sponsored by New Mexico Interfaith Power and Light and UNM Sustainability Studies Program
