

# Our Land is Under Attack...

## Not here. Not there. Not anywhere!

BLM is auctioning off public land and fracking away:

- Santa Fe National Forest
- Chaco Canyon
- Rio Rancho
- Over 5,000 acres of public land in TX, OK, and KS
- Wetlands, Streams, Waterways
- Endangered Species
- Cultural Resources

### WE Demand:

- End federal coal, oil and gas leasing on public lands
- Immediate Safeguards on toxic methane pollution
- No sacrifice zones
