

Support and Salute Our Troops, Veterans & Families!

Donate from March 28 to April 22, 2016

U.S. soldiers sacrificed their lives, defended our country and fight for our freedom everyday. Over 50,000 troops have been seriously wounded in battle. Hundreds have suffered from injuries. Some of the veterans who have come back haven't been able to find a job. This project is to help our troops, veterans and/or families by sending our love, support, and appreciation by granting veterans and present day troops their wish list provided by Operation Gratitude. Operation Gratitude is a non-profit organization. It annually sends over 100,000 care packages containing food, toiletries, personal care products, as well as personal letters of appreciation to our troops, veterans and families. All items collected will be donated to Operation Gratitude.
