This is one of the most important times in the history of our great organization. We have seen a steady decline in our membership for many years now. We must finish strong and change the direction of our organization. This will not only allow us to continue to celebrate our 100th Anniversary by finishing strong, but it will also set the stage for our next century of service.

My goal is to bring in 300 plus new members into our Kiwanis Family between now and September 30, 2015.

Governor's Challenge

As a way of showing our appreciation for completing the Governor's Challenge, any member in good standing that sponsors a new member into our Kiwanis Family between August 1, 2015 and September 30, 2015 will receive a commemorative challenge coin and will be entered into a drawing for a free registration to one of the 2016 Mid-Year Conferences. In addition the winner of the drawing will be invited to a special dinner with Governor Alan Guire and First Lady Melissa. The new member must be verified before the sponsor can be entered into the drawing or receive the commemorative coin.
