In the Name of Allah (swt), the Most Gracious, the Most Merciful

Salamun Alaykum wr wb

Anjuman e Faiz e Panjetani which has been in existence since 1912 has served thousands of Zaireen over the decades until their Musafirkhanas were confiscated by the regime of Saddam.

After the efforts over decades, Alhamdulillah, the properties were released and returned to Anjuman e Faiz e Panjetani 2 years ago.

The Musafirkhanas in Najaf and Kazmain are in immediate need of renovation / restoration as these buildings are more than 50 years old. In Karbala a new multi storied building is proposed to be built. All the Musafirkhanas are close to the respective Harams.

Donation towards this noble work for serving the Zaireen being done by Anjuman e Faiz e Panjetani will be Sawab-e-Jariah to the donor and their families as well as parents of the donors.

When completed, these Musafirkhanas will benefit Zaireen from all around the world who visit the Holy Shrines of the Imams.

I recommend that these projects are well supported by donations from Momineen.
