**The Power of Music!**

**4th Anniversary Celebration & Benefit**

**Lincoln Park Village**

**Monday, June 10, 2013**

at the Chicago History Museum

---

Dr. Roy Ernst, noted music educator and professor emeritus at Eastman School of Music, Rochester, NY, is founder of the New Horizons International Music Association, which now includes more than 200 New Horizons bands in communities throughout the world.

---

Come celebrate the music within you and all that it does for body and soul. Discover what research rapidly is making clear—music connects, comforts, strengthens, transforms. Be captivated by the rhythm of life and the joy of sharing a fun, music-filled evening with our growing Village community.

♫ Live music upstairs, downstairs, and all around!  
♫ Silent Auction with musical and magical gifts – priceless.  
Watch for details on the web site.
