

The very first Member-Plus member was a spunky, lively and interesting woman in her 90's who lived in subsidized housing. Once she learned that she had a credit to spend in any way she wanted, she said, "I am going to get a ceiling fan. I have always wanted one." And so she did. She also turned around and donated a portion of her credit right back to the Village at the time of the year-end appeal. She was so happy to be part of the Village and had a generous and open heart. She was also the very first member we lost from our community at her death in 2010.
