After the OpSail ships,  
visit our Pop-Up office and  
mini-maritime museum at  
145 Columbia Street.

See artifacts from Red  
Hook's working waterfront:

A coffee-weighing scale over  
100 years old, signs and  
photos from Todd Shipyard,  
recorded oral history from a  
Todd worker during WWII.

Buy a PortSide t-shirt, sign  
our petition to save our  
historic ship, the MARY A.  
WHALEN, the only oil-tanker  
in the world providing  
programs to the public.
