

Jaguar a m 5K

COLOR

Run/Walk

May 16, 2015

WHAT IS A COLOR RUN?

The color run is a 5K walk or run that does not focus on the times and strength of the participants, but rather the involvement of family and friends in a relaxed, **colorful**, non-competitive event. Participants will walk or run the 5K while passing through color stations, where they will get powdered with color, resulting in a rainbow of fun! All of the powder is 100% biodegradable, is not harmful for the environment or animals, and will simply wash away with the rain. Teams are encouraged, and the team with the most participants will win a special prize!
